ReNeuvo Group Inc., Appoints CEOLaw as ReNeuvo Group Inc. Legal Representative
ReNeuvo Group, leading in developing and manufacturing of thermoplastic elastomers (TPE) made from recycled tire reprocessed rubber crumb and recycled post-consumer and post-industrial recycled plastic pellets for the usage in the automotive, packaging, construction, and many other industries, is proud to announce and welcome CEOLaw as our Group Legal Representative.

CEOLaw will implementing corporate legal strategies and services, directly engaging, and communicating with Institutions, Clients, Suppliers, and others if and when required. CEOLaw lawyers will communicate the company's objectives into on all matters that drive legal corporate governance and awareness.

CEOLaw Profile: CEO Law's goal is to change the status quo of the legal services industry. We provide corporations with world-class lawyers at a fraction of the price of traditional law firms through an efficient, low-overhead, and technology-enabled model. We want clients like ReNeuvo to get more out of their legal spend by paying less without sacrificing quality.

Legal Business Experience: Our team consists of 50+ lawyers available to help across a full spectrum of company needs. We have lawyers that have worked in both large law firms and in-house company roles, so they have practical knowledge of what's needed to support a business. All of CEO Law's lawyers have 6+ years of experiences with the majority having practiced law for greater than 20 years. Our commitment to high quality legal services is reflected in our carefully vetted senior roster. For additional information about our legal services please contact Steve Monk, Founder & CEO at steve@ceolawcanada.com

Additional news: ReNeuvo Group Inc.: For the first time, ReNeuvo Group has been invited to attend and present at the Thermoplastic Elastomers World Summit. We are excited to announce that ReNeuvo Group Inc. has been invited to attend the Thermoplastic Elastomers (TPE) World Summit in Dusseldorf, Germany on November 30th. Jose M. Gonzalez, President & CEO has received the honour to present and represent ReNeuvo's Group Inc. For additional event information please refer to <https://www.elastomer-forum.com/tpe-elastomers-world-summit>.

We at ReNeuvo Group Inc. and ReNeuvo affiliated companies are very happy to have CEOLaw as our appointed legal firm. For any enquiry related to news or press releases, please contact: ReNeuvo Group Inc. at Public-relations@renewogroup.com
