## Press releases

### ReNeuvo Group Inc. in the spotlight:

**ReNeuvo Group Inc. is proud to announce a great addition to the executive team.**

## **Bringing Recycling and Manufacturing to the Next Level!**

**Ontario Canada, May 10, 2021:** After some discussion and corporate reviews the decision has been made to hire Mr. Francisco Zacarias in the position VP Business Development, he brings many years of experience. His experience will provide great support to the Mexico Project and other ongoing projects.

A strategically focused Senior Business Manager with the vision and leadership skills required to energize organizations with innovative ideas and well-defined business models. Acts as a catalyst for positive change while implementing project requirements with keen attention to operational plans and budgets. Contributes extensive experience in Strategic Planning, Organizational Leadership, Operational and Project Management, International Business Development, International Quality Systems Standards, Supply Chain Management, Automation, System Integration, Product Development, Environmental Stewardship and Circle Economies. Interacts productively with a broad range of personalities and cultures and provides effective collaboration with inter-departments, colleagues, clients, staff and federal municipal and state authorities, domestic and international. Represents corporate interests with integrity and professionalism, maintaining a commitment to excellence in all areas of accountability.

We would like to introduce our organization and our revolutionary product to you. We are ***Bringing Recycling to the Next Level! We are Bringing Manufacturing to the Next Level!*** With our environmentally responsible (TPE) resin made from reprocessed recycled tire rubber crumb, post-industrial and post-consume plastic, we have developed an alternative to resin made from virgin materials and while doing so, we are helping to save the world from hundreds of thousands of tires and millions of pounds of plastics going to the landfills across the Globe!

**About ReNeuvo Group Inc.:** ReNeuvo Group Inc. functions as a Management, Financing and Administrative Services company. ReNeuvo Group is also under contract to provide administration and accounting services exclusively to the ReNeuvo Group of Companies in which it has an interest. ReNeuvo Group feels so strongly about our planet and the environment in which we live, that we will be the first organization globally to be a 100% paperless operation! Our operation will utilize digital manufacturing, and our facility will operate with highly secured, modern technology with the assistance of our strategic partners ([www.reneuvogroup.com](http://www.reneuvogroup.com))
